

## Web Development Project Goals

Desired completion date of project:

Please list the three most important goals/objectives for this project, in order of importance.

- 1.
- 2.
- 3.

Please describe how completing each of these objectives will affect your business.

- 1.
- 2.
- 3.

How will the success of these goals increase the profitability of your company?

How high of a priority is this project to your company? (1=less important than new mouse pads, 10=more important than extinguishing fire in the accounts receivable department.)
